## Querying This Documentation
If you need additional information that is not directly available in this page, you can query the documentat
```

Perform an HTTP GET request on the current page URL with the `ask` query parameter, and the optional `goal` query parameter:

```
...
GET https://docs.holybro.com/gps-and-rtk-system/f9p-h-rtk-series/setup-guide-for-multiple-aircraft.md?ask=&l
...
```

`ask` is the immediate question: it should be specific, self-contained, and written in natural language.
`goal` is optional and describes the broader end goal you are ultimately trying to accomplish on behalf of t

The response will contain a direct answer to the question and relevant excerpts and sources from the documentation.

Use this mechanism when the answer is not explicitly present in the current page, you need clarification or additional context, or you want to retrieve related documentation sections.
